The screenshot displays the IQVIA SMART - US Edition interface. At the top, the IQVIA logo is on the left, and the user's email (jeffrey.henning@iqvia.com) and the current view (Monthly Integrated Views - Standard Integrated) are on the right. A navigation bar includes links for Ad-Hoc, Data Status, Admin, Customization, Forecasting, Help, Live Chat, and Reports. Below this, a secondary bar shows 'Integrated View' and 'Stakeholder Analytics - FIA National'. The main content area is a large blue space. In the center, a 'SuperFilter' section is visible with an 'Edit' button and a back arrow. Overlaid on this is a dialog box titled 'Add Concatenated Column'. The dialog contains the following fields and elements:

- Name:** PRODUCT-CHANNEL
- Heading:** Product-Channel
- Format:** {0}~{1}
- Source Columns:** A list of columns with a 'Clear' button to the right. The list contains USC1, USC2, USC3, USC4, and USC5. A search filter 'USC|' is applied to the list. A mouse cursor is hovering over the USC3 entry.

The screenshot displays the IQVIA SMART - US Edition interface. At the top, the IQVIA logo is on the left, and the text "SMART - US Edition" is centered. On the right, the user's email "jeffrey.henning@iqvia.com" and the text "Monthly Integrated Views - Standard Integrated" are visible. Below the header is a navigation bar with tabs for "Ad-Hoc", "Data Status", "Admin", "Customization", "Forecasting", "Help", "Live Chat", and "Reports". A dropdown menu on the right shows "SMART - US Edition". Below this is another bar with "Integrated View" and "Stakeholder Analytics - FIA National", and a "Module Spotlight: Generics Module" on the right. The main content area is a light blue background with a "SuperFilter" section on the left containing an "Edit" button and a back arrow. In the center, a modal dialog titled "Add Concatenated Column" is open. The dialog has a close button (X) in the top right corner. It contains the following fields and controls: "Name" with the value "PRODUCT-CHANNEL"; "Heading" with the value "Product-Channel"; "Format" with the value "{0}~{1}"; "Source Columns" section with a "Clear" button and a list of selected columns: "Product", "Channel", "USC3", "Super Channel", and "USC5". Each column name has a small red "X" icon next to it. At the bottom of the dialog are "Cancel" and "Submit" buttons.
